November 2026 Newsletter

NOVEMBER

We have a busy and exciting month of November coming up. We are looking forward to an explosive and colourful Bonfire night, poignant and thought provoking Remembrance Sunday and then a fabulous celebration of the victory of light over darkness as we join together for Diwali.

November brings more of our fantastic performers. We have the wonderful Kerry – Jean, the lovely Lorenzo, the smooth tones of Sammy Dean and a great sing along with Sean. Our performers visit on a Friday. Of course the month would not be the same without our monthly visit from the Minister and the Hairdresser.

Cultural Celebrations

During October we celebrated the festival of Navratri. We held prayers around the mandir, decorated with fruits and fine colours. We dressed in fine clothes for the dance of Garba. It was a great chance for our residents to experience the sights and sounds within our own lounge and for others to have the opportunity to celebrate.

Fitnniss

We were delighted to enjoy a session of interactive exercise with **Fitnniss**.

There were lots of smiles as instructor had everyone punching high and low and practising with the boxing training pads. Both Residents and staff had a great time.

Julie

We were very please to welcome Julie back to perform for us again. There was singing along and dancing throughout her performance. Everyone had a great time.

The Fabulous Ben

We were absolutely delighted to welcome Ben to come and sing for us. Everyone enjoyed the dancing and singing. It was a great afternoon where the whole home came together for a fabulous time.

Visits from the Minister and Hannah

Our residents were delighted to have Hannah from Boogie Beatz to get everyone's toes tapping. Our residents had a brilliant time joining in with the music and movement.

We also enjoyed a meaningful morning with our Minister, Shirley. Her positive sermons are greatly appreciated the home. Her positivity is spread throughout. The morning session leaves all residents connected and with an optimistic feeling for the rest of the day.

Arts And Crafts

Everyone in the lounge we have a range of arts and crafts alongside brain training activities.

One of the favourites this months was doing flower arrangements and the favourite one was pirate day. The residents bonded over the different arts and crafts activities.

We also play a game where it was placing the pirate eye on the picture being blind folded. All residents enjoyed it and got everyone involved.
