

19th August 2023 - Summer Fete

Following the pandemic, 2023, was the first time the Home was able to hold its first **big** event held at The Willows, which involved the participation of our residents' families and friends and the local community.

Our Residents were encouraged to join in on our activities such as 'hook a duck' with their grandchildren, petting the 'little pony' that came to visit on the day, as well as visit the rest of our stalls.

There were stalls with 'Dirty Fries', Samosas, and cakes with plenty of choice. The Tombola table, 'wine or water' game and 'bric a brac' table attracted a great deal of the attention. Residents and their families made use of socialising areas. It was evidently a happy environment throughout the day.

Many of our residents including; Rosie, Denise, Reginald, Gina, Clara were very pleased with the way our event was organised and enjoyed spending the day in the garden in the sunshine, with staff, family and friends. We received very positive feedback on the day from many family members.
