COVID-19 UPDATE

It was regret that we had to inform you all that we now have Covid-19 within the home following three residents and a number of staff being tested positive.

We have a good stock of PPE and residents are being supported well in isolation within their rooms with our dedicated staff are continuing to provide the best quality care.

We know this is a concern to you all, please feel free to call at any time for an update about your loved one.

Easter celebration

Happy Easter!

Our Easter celebrations were a bit different this year, but we endeavoured to make the occasion as special as possible. Please find attached a photo of your relative with an Easter Egg and Card.

You are welcome to have a document sent to you of this special picture by e-mail by contacting us at info@heathersnursinghome.co.uk and we will gladly send it to you.

Contact

We continue to be more than happy for you to contact us for an update about your loved one or even talk to them on the phone. Remember, Skype is available for you as well if you wish to have face/face contact call.

Staff

We are pleased to announce that our nurse Aneesh, has taken up the role of Clinical Lead within the home. We are confident, with his knowledge and expertise, he will add value to our already outstanding nursing home. We know you will all wish him well in this role.

We would like to finish by giving a special thanks to our hard-working exceptional staff, who continue to turn up to work to support the residents with the same dedication.

Please dedicate your Thursday night 8 pm by clapping for them.

That's it for now, please take care of yourselves

Ian/ Julie
