THE HEATHERS

NURSING HOME NEWSLETTER

Welcome to the new monthly newsletter of The Heathers .Here we aim to give you an insight into the goings on here at the home and the activities that our residents get up to, as well as any news and upcoming events.

NEWS ON VACCINATION

New government legislations are coming in to effect from November the 11th , those who are not fully vaccinated are not allowed to work in care homes unless exempted.

This means, those who come inside the home to do any arranged work, interview,etc... need to show us proof of vaccination if not exempted.

VISITING ARRANGEMENTS

Visits are conducted based on appointment basis . This is to take into account the number of visits per day and the infection prevention and control measures. Please ring the home to book your appointments and discuss about different options of visiting.

We have a new designated area for the visitors which is the shed at the back entrance, where all the PPE and visitors forms are kept. Before entering the home wash your hands enter the pod check your temperature, fill the form and put PPE (apron, mask and gloves) on and ring the door bell. One of our staff will then come and check your negative LFD test before letting you inside.

We will be extending the visit time . We are only accepting the LFT results if you show us a confirmation email or text message which you will get after registering your test, you must register online or ring 119 and ask them to register it for you .Don't forget ,You'll still need to call the home and book your visits.

WHAT'S BEEN HAPPENING?

Well its hard to know where to begin as we have been so busy having fun with lots of activities.

All our staff are involved in our activities programme.

- We have Dave our maintenance guy helping our resident with Bingo
- Our lovely duo Tommy & Gizzy dancing, our residents enjoyed watching them dance. The residents scored 7/10 and said it was Good!
- Some great pictures have been coloured
