Hello December! Many things come together to create a wonderful holiday season including the planning, decorating cooking, baking, shopping, giving and receiving gifts, yearly events and honored traditions. What make these festive traditions feel "special" is sharing them with your family and friends. This is a time of year to treasure the time spent with your loved ones, near and far.

We hope you will celebrate this Christmas with those you love, and wish that you all enter the New Year with a spirit that is refreshed by the times comfort, joy and memories that you shared. Have a wonderful Christmas and a Happy New Year!

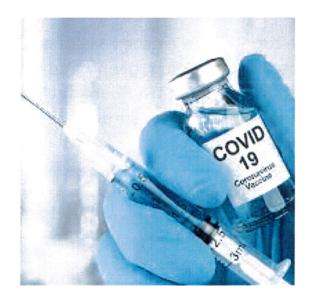

THE HEATHERS

New government legislations are coming in to effect from November the 11th, those who are not fully vaccinated are not allowed to work in care homes unless exempted. This means, those who come inside the home to do any arranged work, interview, etc... need to show us proof of vaccination if not exempted. This will not apply to family's visiting.

3ab Care Limited

VISITING ARRANGEMENTS

Visits are conducted based on appointment basis. This is to take into account the number of visits per day and the infection prevention and control measures. Please ring the home to book your appointments and discuss about different options of visiting.

We have a new designated area for the visitors which is the shed at the back entrance, where all the PPE and visitors forms are kept. Before entering the home wash your hands enter the pod check your temperature, fill the form and put PPE (apron, mask and gloves)on and ring the door bell. One of our staff will then come and check your negative LFD test before letting you inside.

As the infection rate is increasing in the community we need to approach visiting with caution. We are now limiting the visits to 30 mins and 3 visits per day. We are only accepting the LFT results if you show us a confirmation email or text message which you will get after registering your test, you must register online or ring 119 and ask them to register it for you .

What an amazing fun month November been.

- Celebrated Diwali we had some nice Diwali sweets and staff dressed up for Diwali, we ate and danced to Hindu music.
- Bonfire night was full of lights and fireworks. It was such a lovely evening and our residents enjoyed watching the fireworks.
- Chipping Sodbury Baptist Church ladies came to visit. Sang hymes and talked about The Rememberance Day.
