#### **Reflections**

July has been a cheerful month where we enjoyed a little sunshine, but mostly showers!

Last month, we appreciated all of the effort that was put into celebrating the different traditions in July, such as the Wimbledon, the cakes and the wonderful activities that are held at the Home.

One highlight of the month would be welcoming Rural Coffee Connect (RCC) back to the home to treat us all to a cup of coffee!

#### **Baking**

We have been loving getting hands on when baking after lunchtime. We have been experimenting with some different treats and so far, we think our Homemade Chocolates have been the favourite!!

# July has been full of delicious food from our Baking Bandits! ...

#### And lots and lots of experimenting!

#### Mini Bus trips!

The residents love our little trips out to various places! Recently we have visited Lutterworth Leisure Centre for some swimming, B&M Bargains for shopping and much more!
