Thank you for all your care of my dear
Nanny - [REDACTED] over the past 18 months.
She was happy and very well cared for.
I want to extend my heartfelt thanks
for the care and attention you offered the
family over the past week - for all the
kind words, memories shared, hugs and regular
trays of tea. Your kindness made this
difficult time easier. Thank you for your
care of [REDACTED] in her final days - she was
treated with dignity, respect and love.
You are a fantastic team providing
outstanding care. On behalf of the
family - thank you all! [REDACTED]

Dear Julie, Aneesh, Justin and
everyone at the Heathers

Thank you so much for looking
after Mum.

Your care and love has been
AMAZING!

With love from
