HELLO
february

The text "HELLO february" is centered on the page. "HELLO" is in a bold, black, sans-serif font, while "february" is in a large, black, cursive script font. The text is surrounded by several small, pink hearts and stars of varying sizes, creating a festive and romantic atmosphere. The entire graphic is set against a white background, framed by a decorative border of small red hearts.

We started the month with making some lanterns for the Chinese New Year.

The end results from this.

This then followed with a scrumptious buffet.

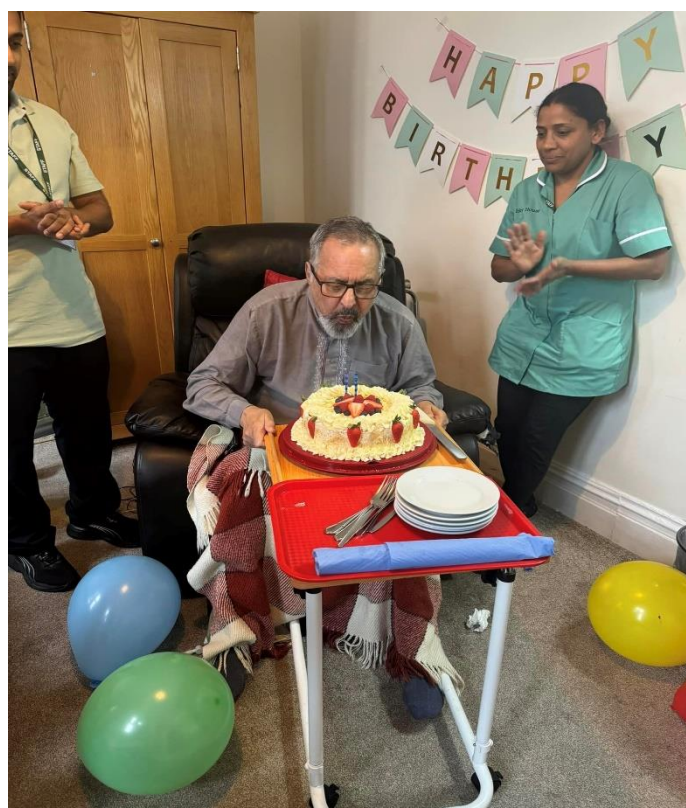

Julie was in the kitchen making pancakes for all.

Love was in the air with some cards being made for their loved ones.

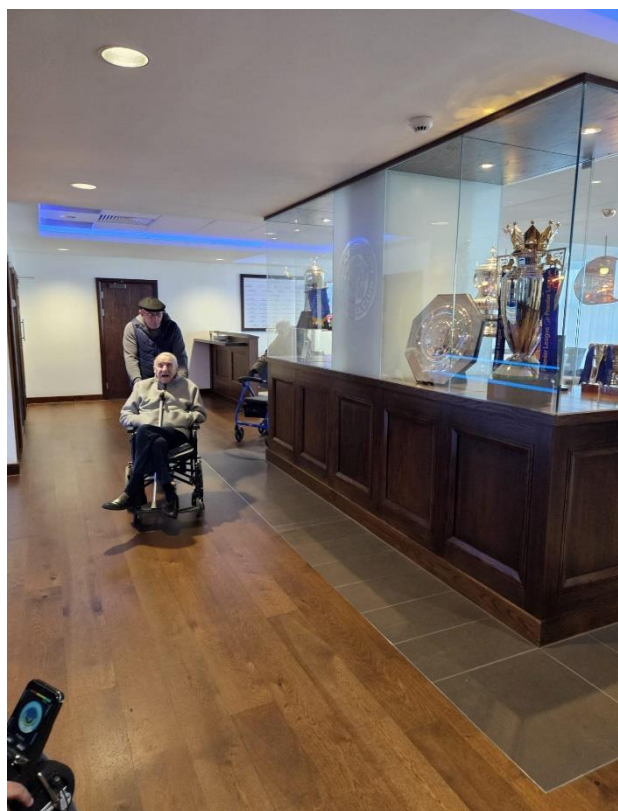

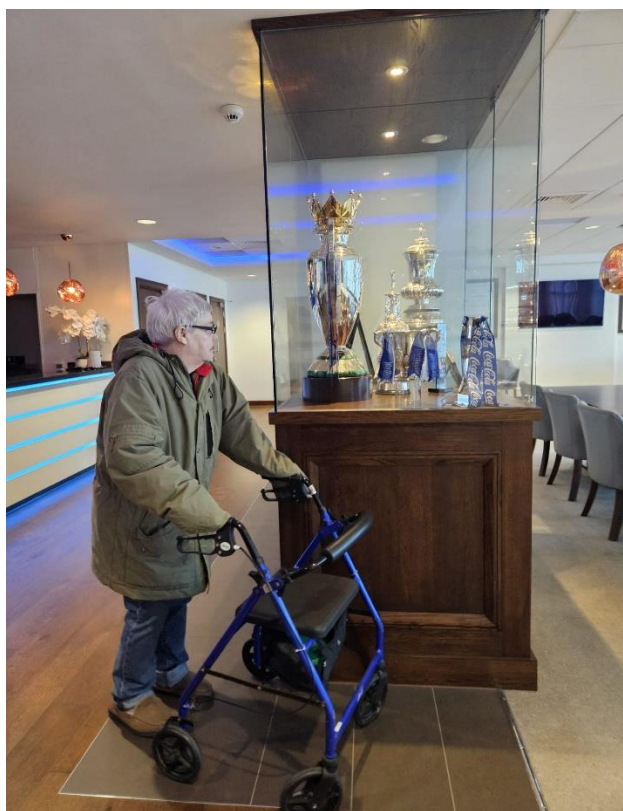

It was Mr Khan birthday and he was treated to a nice delicious cake.

Sylvia enjoying a visit from Ozzy!

We ended the month with some of the residents going for a tour of Leicester City Football ground.

Some more pictures from the tour.
