

3rd September 2023

Grace celebrating her 100th birthday.

The Family kindly requested for Grace's birthday to be held in the Willows Lodge. Prior to the day, our Kitchen Department contacted the family to discuss the design of the very special birthday cake. With Grace being a farmer's daughter, she has always loved animals.

The Activities coordinator and Grace's family planned the event together. On the day of the birthday party The Lodge was decorated and all prepared for the family gathering.

It made Grace very happy to see her loved ones, she was very moved when all attending sang Happy Birthday to her. Grace was very pleased with her Birthday cake too, as were the family. Our Cook, Sharon received a round of applause from family members for creating such a beautiful cake.

Grace spent most of the morning chatting with her family, enjoyed opening her cards and reading them. The King's card was presented to her, and Grace read every word of it out loud. We took many pictures to ensure that the event was captured to the full, and Grace enjoyed posing for those.

All her cards were placed on a long string on her bedroom wall. Grace enjoyed looking at them days after the event.

Grace's family were very happy and thankful that they could participate in the event. They were pleased with all that was prepared and organised to make Grace's day a very special one. We fully believe that this birthday will remain as one of Grace's happiest days.
