## **OCTOBER 2020**

**Welcome to our October Newsletter.**

**We appreciate how difficult it must be for our residents not seeing their loved ones but due to the enforced local lockdown we have still not been able to welcome visitors inside the home. Residents have been receiving window visits which appears to be providing some comfort to them and their families.**

**We are happy to say that the home remains Covid free. Staff continue to be tested weekly and residents 4 weekly.**

**September started with some yummy cookies being made  
by our residents ☺**

**We captured a beautiful moment between our lovely  
Nanna and Vala having a conversation 😊**

**Muriel enjoyed her first visit from her family in over 6  
months and it certainly brought a smile to her face 😊**

**Our residents managed to spend some in the garden  
before the change in the weather.**

**We celebrated 3 birthdays this month .... Which meant one  
thing yummy home-made cake for all to enjoy**

**We started with Betty's birthday 😊**

**This was followed by Vivienne's birthday 🍷**

**And finally, we celebrated Vala's birthday who also enjoyed a visit from her son 🍷**

**On a final note we would like to thank all our relatives  
once again for all your support during these difficult  
months. We are hoping that we will be able to facilitate  
internal visits and looking forward to seeing you soon.**
