

# **HARLEY HOUSE NEWSLETTER**

## **AUGUST 2020**

**Welcome to our August Newsletter.**

**We'll July has been a funny month with the unpredictable weather and Leicester going back into lockdown again ☹️**

**We were hoping to start garden visits however had to put these on hold. We continue to follow guidance and are hoping to start visits as soon as we are given the green light.**

**However, we are happy to say that we remain Covid Free**

**As we couldn't make to the races we enjoyed our own ladies day at Harley House, even the men joined in with their fancy hats.**

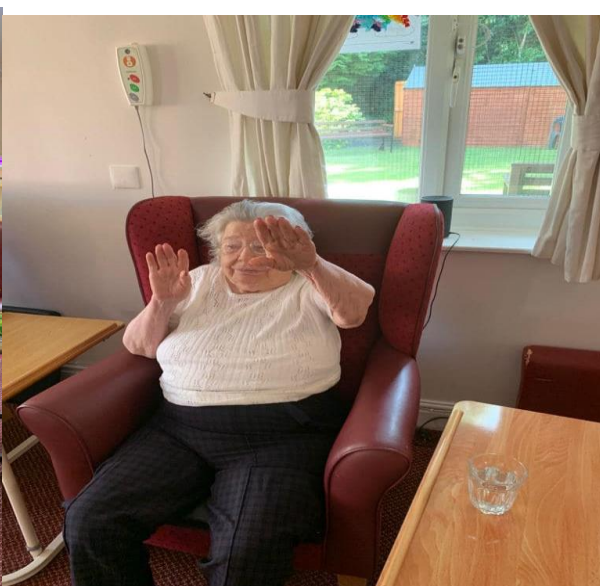

**Dominoes seems to have become a favourite pastime for our residents over the last few weeks.**

**Our residents continue to enjoy their daily exercises**

**June has proven to unbeatable at scrabble !**

**Our residents continue to enjoy time in the garden  
(weather permitting!)**

**The staff were lucky enough this month to receive a kind donation of £200 from Kington Benefice St Mary Magadalen & St Guthlacs, to thank them for all their hard work over the last few months. We were able to treat each member of staff to a little something ☺**

**And finally look out for our bus advert around the streets of Leicester**
