AUGUST

August means enjoying time outside in the sun, milkshakes and lots of fun. Fridays are a favoured day in the home as we have different performances every week, this ranges from keyboard performances from Larry and a Lesley Ann coming to perform.

We also have our weekly boogie beats performances from Hannah too! August is an especially exciting month as we have our annual Summer Fete. This month we plan to spend a lot of time in our beautiful gardens.

Michelles Petting Party

We enjoyed an exciting visit from Michelle and her wonderful collection of animals. She brought all types of different animals ranging from friendly dogs, curious cats, fluffy chickens, gentle rabbits, and slow-moving tortoises, and much more. Both residents and staff thoroughly enjoyed seeing and petting the animals, and the visit brought smiles all around the home. Animals bring a fantastic opportunity for gentle and accepting interaction. The whole home was full of smiles.

Garden activities

Even though the weather has been a challenge, we've made the most of every opportunity to enjoy the fresh air.

Early morning sunshine, before it gets too hot. Sitting in the shade enjoying time with friends and family and keeping an eye on our amazing beans and tomatoes.

Lesley Ann Performance
We were delighted to welcome
Lesley Ann to perform for us.
There was slow dancing to old
favourites and disco dancing
that inspired some lovely
memories. Lesley Ann always
brings a sparkle to the room.

Sammy Dean Performance

We had a great afternoon
listening to the smooth, dulcet
tones of the lovely Sammy
Dean

The room was swaying and
singing along as we enjoyed a
trip down memory lane with
some of the greatest songs
from the era of Jazz and Swing.

visits from our Hairdresser and Minister

Our residents were pleased to see Jane, our hairdresser. From trims and re-styles, to perms and colours. Jane is always happy to help our residents feel their best.

We spent a thoughtful morning with our Minister, Shirley. Her positive sermons always leave us feeling connected, optimistic and ready for the day.

Sports in the lounge

We love a challenge and bit of healthy competition.

From physical sports like basketball and skittles to mental sports like cards and connect four, we love to keep our minds and bodies healthy and active.

Flowers and clay creations

We've had a great time with Summer themed crafts. We have been working on our beautiful paper flower bouquet. Adding different kinds of flowers each week.

Everyone enjoys the wonderful scents and textures of the flowers when we join together for an afternoon of flower arranging. Making the whole lounge smell like a summer field.

Our Clay Creations sessions always bring out the artists in us. We made a fantastic array of colourful and fun critters and creatures.
