

HARLEY HOUSE NEWSLETTER

DECEMBER 2020

Welcome to our newsletter.

What a great end to November, we were finally able to welcome relatives into the home in our Covid secure visiting area.

Our residents continue to be Covid free and our staff remain well. We have an amazing team at Harley House. They have worked tirelessly since the start of the Pandemic to keep residents safe and happy.

Our residents continue to enjoy their daily exercises.

Our residents enjoyed a visit from Ozzy He has been working from home since March 😊

Our residents staff marked Remembrance Day with some colourful poppies and a minute's silence.

Residents and staff had a great time celebrating Diwali. It was truly a colourful affair with yummy food and some Bhangra dancing.

June has continued to beat the staff at Scrabble...we expect nothing else from a remarkable lady who does the Times crossword 😊

Our residents have continued to enjoy some great window visits.

Our Christmas trees have gone up and residents are busy creating some Christmas Master pieces.

And finally, our residents have been able to enjoy some internal visits from their loved ones in our Covid secure visiting area 😊

Once again, we would like to thank all our amazing relatives for your support and patience over the last few months. Here is hoping the good news about the vaccine will prove to be a success in bringing our residents and relatives together again. 😊
