

HARLEY HOUSE NEWSLETTER

JANUARY 2021

Welcome to our newsletter.

Firstly, we would like to wish you all a Happy New Year 🍷

Our residents continue to be Covid free and our staff remain well. We have had a busy December. The residents have been thoroughly entertained and received a visit from someone special. Residents are continuing to see their loved ones in our Covid Secure Visiting Pod.

We started the month celebrating Freda's birthday

The Residents made some very snazzy Christmas Hats.

Visits in our Internal Covid Secure Pod continued to provide some comfort to our Residents and their loved ones.

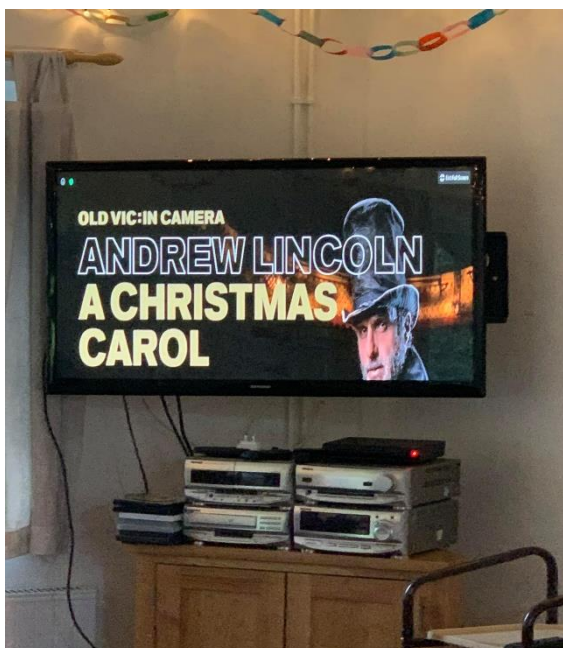

We have continued to enjoy one-to-one time with our residents.

Christmas activities started with a Visit from the Local Church who came and sang some lovely carols for our residents.

The lockdown has changed many things, and it was no different for us. This year our Panto "The Christmas Carol" was online.

But that was not the only Panto our residents enjoyed this year. Staff at Harley decided to do their own version of Cinderella this went down a storm!

**Our Christmas Panto was followed by A Christmas Party
for our Residents, unfortunately we were not able to invite
Our Relatives due to Covid.**

We then had a visit on Christmas Eve from a special Man who showered our residents with some lovely presents.

And our 3 Course Christmas Lunch went a treat with Our Residents and Staff

And Finally, as we end 2020, we Pray and Hope for a better 2021 and look forward to our amazing residents being reunited with their loved ones. We are grateful for the support and love we have received over the last 8 months in such unprecedented times.
