**Welcome to our Newsletter.**

**Its been a busy few months since lockdown was announced on the 23<sup>rd</sup> March.**

**Firstly, we would like to thank our dedicated team who have worked so hard to keep COVID out of the home and have worked tirelessly to ensure that are residents have been well looked after and kept save.**

**Lockdown has certainly not stopped the residents having meaningful activities and engagements.**

**Our residents have embraced new technology to stay connected with their families.**

**The beautiful weather has meant we have been able to spend a lot of time outside .... topping up our Vitamin D. Our residents have enjoyed staff entertaining them by dancing and singing to songs (I do not think we are ready for X-Factor yet 😊)**

**The residents have enjoyed lunch in our beautiful gardens.**

**And outdoor games**

**The residents enjoyed celebrating VE day and reminiscing about “The good old days” and tucking into a buffet at teatime.**

**The residents have enjoyed their daily exercises, and this has certainly helped keeping them mentally and physically stimulated**

**Lockdown has not stopped us celebrating Mother's Day,  
Easter and two birthdays**

**And finally, we would like to thank the local children who have been sending in their amazing works of art, they have certainly put a smile on all our faces**
