

HARLEY HOUSE NEWSLETTER

MAY 2021

Welcome to May's Newsletter!

Well, we have continued to welcome relatives to the home. A number of various visits have taken place such as face to face visits, pod visits and window visits. We would like to thank our relatives to adhering to government guidelines during these visits.

Our residents have continued to enjoy one to one activities and group activities. There have also been several birthday celebrations this month.

We were also able to finally welcome our resident hairdresser Rachel back to the home.

We started the month celebrating Easter, the residents helped to make their Easter Bonnets, they enjoyed some yummy eggs and a buffet tea.

Antonina enjoyed celebrating her birthday with the residents and staff and the Chef came up with yet another masterpiece.

Antonina's birthday was followed by Alex's Birthday. Alex enjoyed a visit from his family before he was presented with his cake.

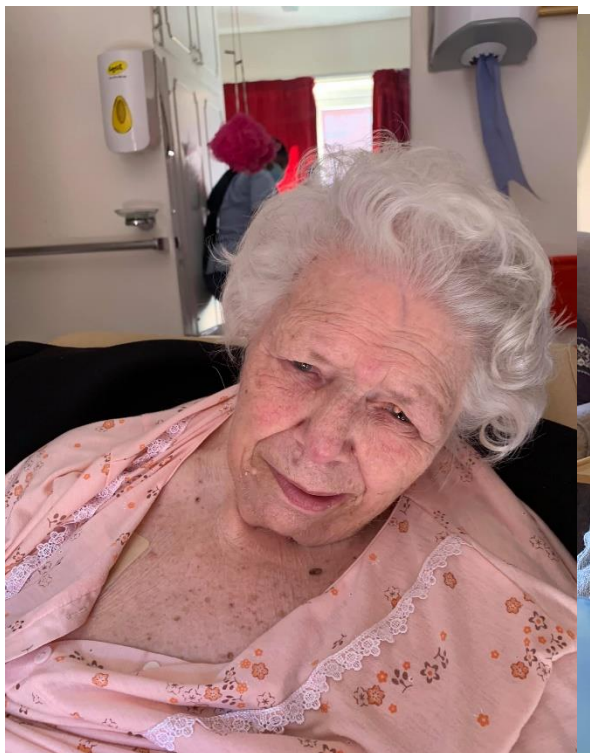

Our budding artists have been busy this month with their masterpieces. And Stephen has enjoyed a game of chess or two.

**We had great fun celebrating the Queens's Birthday with
our very own Kings and Queens ☺**

How wonderful do our ladies look after finally having their hair done by our Resident Hairdresser Rachel.

And finally, our residents seem to love these big purple balls, they have provided a great source of entertainment

Once again, we would like to thank our relatives for the support, they have given us in adhering to the visiting guidelines, we look forward to seeing much more of you over the coming months.
