

HARLEY HOUSE NEWSLETTER

NOVEMBER 2020

Welcome to our November Newsletter.

What an end to October with the announcement of another National lockdown. We appreciate how difficult it is for relatives not to see their loved ones. Lets hope the lockdown is successful and we can welcome our much-missed relatives back to Harley House with virtual hugs.

We are pleased to say we remain Covid-19 and residents and staff remain well 😊

We have had a busy month celebrating birthdays 📺

We started with the lovely Hannah 😊

We then celebrated Stephen's birthday 📺

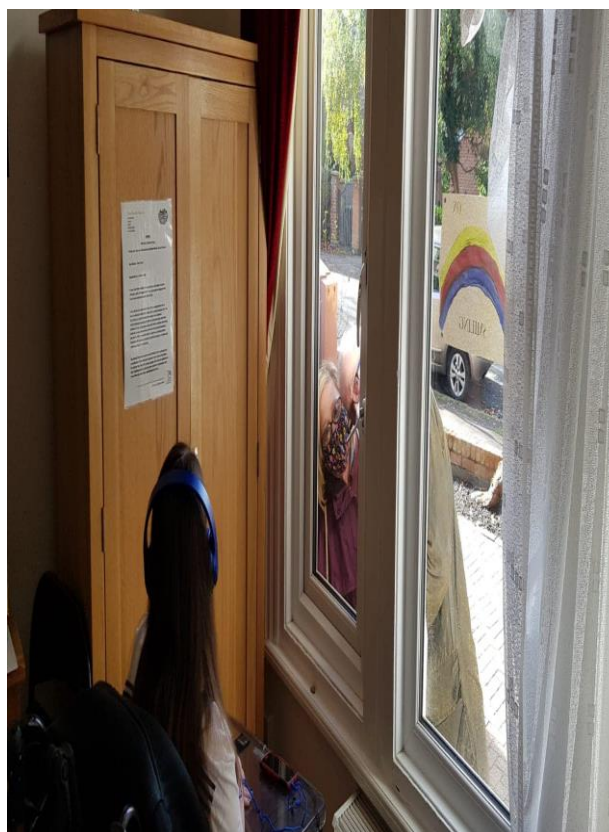

This was followed by Muriel's birthday celebrations 🎁

And finally, we celebrated Olive's birthday 🎁

**Our lovely residents have continued to enjoy window visits
from their loved ones 😊**

Residents and Staff continue to enjoy musical and dance activities. The staff dancing brings a smile to our residents faces 😊

Our residents continue to enjoy a variety of activities including painting, baking and the very popular connect 4

Finally, the month ended with some spooky Halloween celebrations.

Please follow us on Facebook and Instagram to keep up to date on activities we do at Harley House, they are sure to bring a smile to your face 😊

Stay safe and keep smiling 😊
