

HARLEY HOUSE NEWSLETTER

SEPTEMBER 2020

Welcome to our September Newsletter.

Unfortunately, due to local lockdown we have not been able to welcome our relatives back to the home.

We appreciate everyone's support during these difficult times.

We are hoping that the lockdown will be lifted in due course and are making provisions to welcome relatives back 😊

We are happy to say that the home remains Covid free. Staff continue to be tested weekly and residents 4 weekly.

**The glorious weather proved to be a hit with our residents,
and they have enjoyed doing their daily exercises in the
garden**

Our residents enjoyed baking some lovely treats this month They were yummy as they were quality controlled by Shobha (Home Manager) ☺

Indoor bowling continues to be an immensely popular activity for our residents.... Although sometimes they can get a little competitive 😊

Even though our residents have not been able to see their loved ones recently, they are not far from their thoughts especially when they receive beautiful flowers 🍷

Finally, we would like to say a big thank you to all our staff who have continued to work hard and so diligently in keeping all the residents safe over the last few months ☺
