Our Philosophy of Care

At Brook House Care Home, we aim to provide each service user with a comfortable and homely environment in which security, independence and dignity is maintained

About our Home

Brook House Care Home is a converted former farmhouse situated in the picturesque village of Husband Bosworth. After serving as a farmhouse for many years the building was then used as a Veterinary Surgery and then converted into the Residential home as it stands today. The village is situated in South Leicestershire some ten miles from Leicester city centre and 5 miles from the market town of Market Harborough.

There is a good bus service from the village to all surrounding areas. There is also easy access to the M1 motorway and routes into Leicestershire and Northamptonshire.

In the village of Husbands Bosworth, a short 2-minute walk away there is a Village school, a Post Office, a General Store, A village Hall, a Church and a Village pub.

Brook House offers both single- and double-bedroom accommodation, all with en-suite facilities, for up to 41 residents. The property has 2 levels, all offering comfortable homely rooms. All rooms are tastefully decorated to enhance the cosy atmosphere of the home. We have a lovely courtyard garden, where residents can sit under the parasols weather permitting

The Senior staff and Junior care assistants are dedicated, caring, and hardworking, all with the same goal; ensuring the residents receive the care and attention they require, and to ease any anxieties they have, so they are happy and relaxed, and enjoy their time with us.

Mrs Michelle Hood is the manager and is supported by a Deputy Managers, Rosie Crossan & Karen Brett and a number of Senior and junior staff. There will always be senior member of staff on duty working alongside are a team of trained assistant. If you need to contact Michelle, you can do so on 01858 880247.

We have incorporated the opportunity for our care assistants to benefit from National Vocational Qualification Training. These have been proved to be very successful.

We are open to suggestions from residents, staff, and relatives to make these trips as successful and enjoyable as possible.

Trips can be anything from visiting a garden centre for an afternoon cup of tea, a drive through the countryside, visits to the beach, picnics etc.

Our staffs are only too happy to give up their free time to help organise these events, as they see how important and enjoyable, they are to our residents.

Visiting

Brook House has a strict visiting policy; we welcome visitors at all times – except meal times (12pm-2pm and 5pm-6pm) as Nutrition and Hydration is a key part in maintaining a healthy lifestyle for our residents, so we ask all visitors to avoid these times to avoid any distractions.

We ask that you call at least 30 minutes before you would like to visit, to ensure we can get your relative into either their room or the tea room, so that our communal areas do not get cluttered.

You can also take the residents out if you wish to do so. There are no restrictions. We do, however, ask you sign in/out of our visitor's log to conform to fire regulations.

Smoking

We operate a strict no smoking policy at Brook House. However we do allow residents who do smoke to be able to do so in the courtyard or our back garden under shelter.

Laundry

We have a laundry assistant at Brook House who is responsible for the washing and ironing of all residents clothing. We do request that all items of clothing be clearly labelled with the residents name and room number upon admission.

Catering

At Brook House, we have experienced cooks who provide homemade, wholesome, and nutritious meals. The menu is varied and caters for specialised diets such as diabetic, low fat or vegetarian meals. We believe in giving our residents a choice of menu, and we like to make mealtimes relaxed, enabling the residents to enjoy their meal.

- Breakfast is served between 6.30am and 11.00am.
- Dinner is served in the dining rooms at 12.30pm
- Tea is served at 3.00pm – tea/coffee, homemade cake/biscuits
- Supper is served at 5.00pm in the dining room.

We realise what a difficult and hard decision it is to have to find a home for your family member.

Listed below are questions/observations to be made before making this very important choice as to where your relative's new home will be. We hope they will assist you.

- Is there a waiting list?
- How much will it cost – what does this cost cover?
- Is there a contract?
- Does the home accept residents funded by the local authority?
- Is there a trial period for the new residents?
- How much choice does the resident have?
- Are residents allowed to bring in personal possessions?
- Do residents have to share a room?
- Do rooms have their own toilet facilities?
- Where are the toilets situated in relation to residents' rooms?
- Are there adequate stair lifts/fire escapes?
- Is medication supervised?
- What happens if a resident has to go into hospital?
- What happens when a resident dies – funerals etc?
- Will the residents religious needs be catered for?
- What are the homes staffing levels?
- Look at the residents – do they look happy?

Whilst you are viewing the home, please feel free to stop and talk to any of the staff or residents and ask any questions you feel fit. We believe it is important for you to know first-hand the standard of care that we provide at the home. Our staff and current residents will provide you with the most reliable information in making your decision to choose Brook House for your relative.
