

Quarterly Internal Audits

The 3ab Care Group is committed to providing a high level of service and care at all our locations.

The Homes comply with all the requirements of the Care Quality Commission (CQC) and other Care regulatory authorities.

The Homes' commitment to maintaining high standards on an ongoing basis has prompted the Group to install a process of 'Quarterly Internal Audits' to ensure continuous monitoring of our Homes and standards of care.

This process is in addition to the CQC and local Council inspections and is carried out by our own Care Home Managers. Each Care Home Manager is placed on a rotating schedule to audit/inspect the other locations in the 3ab care Group. Below is the last Group Ratings from the November 2020 Audits.
