Resident of The Day

We have 'resident of the day' chosen every Thursday to make sure we have a day kept aside to consider the likes and hobbies of each one of our resident. The menu for the day will be the choice made by the resident.

EXERCISE SESSION AND ENTERTAINMENT CONCERT

We continue to have monthly visits from Nathan, (Aston Health and Fitness) to support and encourage our residents to get moving. We also have entertainers Paul Gibson and Tony Boyle visiting to entertain us.

CORONATION Celebrations

We started our coronation celebrations a week earlier decorating our home. We watched the coronation on television and enjoyed buffet dinner

PAMPERING SESSION

The hairdresser visits the home every Friday afternoon. We use this time for self care and do hand massage and paint nails of choice.
