February 2024.

When Boh was admitted to Harley  
House - I was handed my life back!

I am so very privileged by the way  
your team have cared for him.

So impressed by your kindness  
and support. I could not have hoped  
for a better end of life.

I can't thank you enough!

Love & great respect

To Everyone at Harley House,

Thank you so very much for providing such a loving, caring, attentive home for our father, Stephen over the last four years.

We have appreciated you so much. You cared for him all through the very difficult covid lockdowns, and you allowed him to play the piano endlessly!

We feel very fortunate to have found Harley House for him. Thank you indeed.

With love and respect from  
Stephen's family.
