To Everyone at Harley House,

Thank you so very much for providing such a loving, caring, attentive home for our father, Stephen over the last four years.

We have appreciated you so much. You cared for him all through the very difficult covid lockdowns, and you allowed him to play the piano endlessly!

We feel very fortunate to have found Harley House for him. Thank you indeed.

With love and respect from
Stephen's family.

Just a few lines thanking all at HARVEY House for
Making Georges short time with you as comfortable as you did

The first time I stepped into HARVEY was how homey it
felt, then the smell of lunch cooking got my own taste buds
going, everywhere was clean, no nasty smells, & friendly staff

So to all, care workers, cooks, cleaners, laundry, gardeners
office, a big Thank You

Best wishes
from

Betty, Sue, Graham
& family

To All the brilliant staff,
I just want to say thank
you for the care you gave
to my Dad, Ken Holmes in his
final few weeks.

I know he was very challenging
& some of you have the scars
to prove this (David)!

He would be mortified if he
knew what he had done.

It is a blessing he has given
up the fight but equally so
sad that he had to end his
life in the way he did.

Thank you once again
