

Messages of thanks and appreciation we have received.

March 2023

To the lovely, caring staff at
Harley House.

In appreciation:

Kate Murison & Simon Beek,

Although our mum was not with you
for very long we really do appreciate
the care you gave her during her last few
days.

With our family connection to #10 Elms road
what a fitting way for Norma to end
her life.

My family and I
would like to thank
all of the staff and
nursing team at Harley
house for my care

I feel without my stay
