

To, all the staff @ Westcroft
Nursing home, especially
Margaret & Florence who
I had the privilege to meet
personally, and were with me
My brother Adrian and my
daughter Amy when he left
this world.

I could not have wished
for a better place for my
dad to spend his remaining
days on earth.

You made the family so
welcome and kept my
dad very comfortable in
the last sad days.

You are a very caring,
respectful, dignified and
very person-centred staff
team.

Once again a massive
"Thank You" for just
being you xxx.

No EOC x families who wish
to leave their family at Westcroft
Nursing home. You could not
entrust your loved ones to a
better nursing home.

God bless you all and
everman gratitude to each
and everyone of you.
Tracy - (Don's daughter)
