November 2023

Its November which means it's the end of Autumn!

**There was a lot going on in the home from events such as
Halloween and Diwali to Days out.**

We started off with Halloween, with the residents dressing up and making decorations!

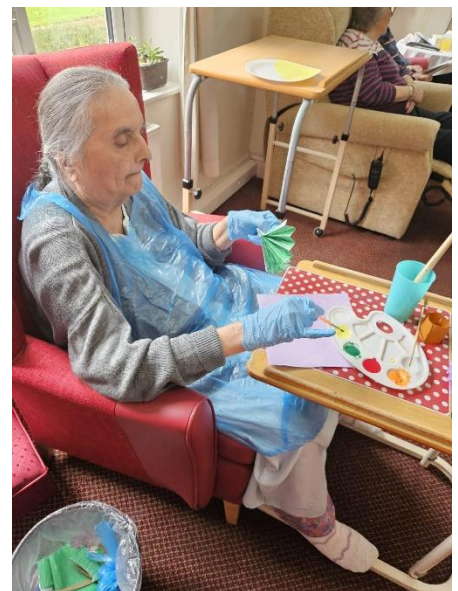

They had a spooky Halloween Buffet!

The residents made some poppies for Remembrance Day.

The Residents and Staff Celebrated Diwali, we ended it with a buffet!!

David and Joan celebrated their daughters birthday by visiting the local pub.

Some of the residents decided to have a cheeky drink at the local pub.

Some Residents went to the local garden centre to have a drink and some cake.

We had Jean come in from the local church giving a communion service.

We ended it with Hannah from Boogie Beatz doing some exercise with the residents.
