September

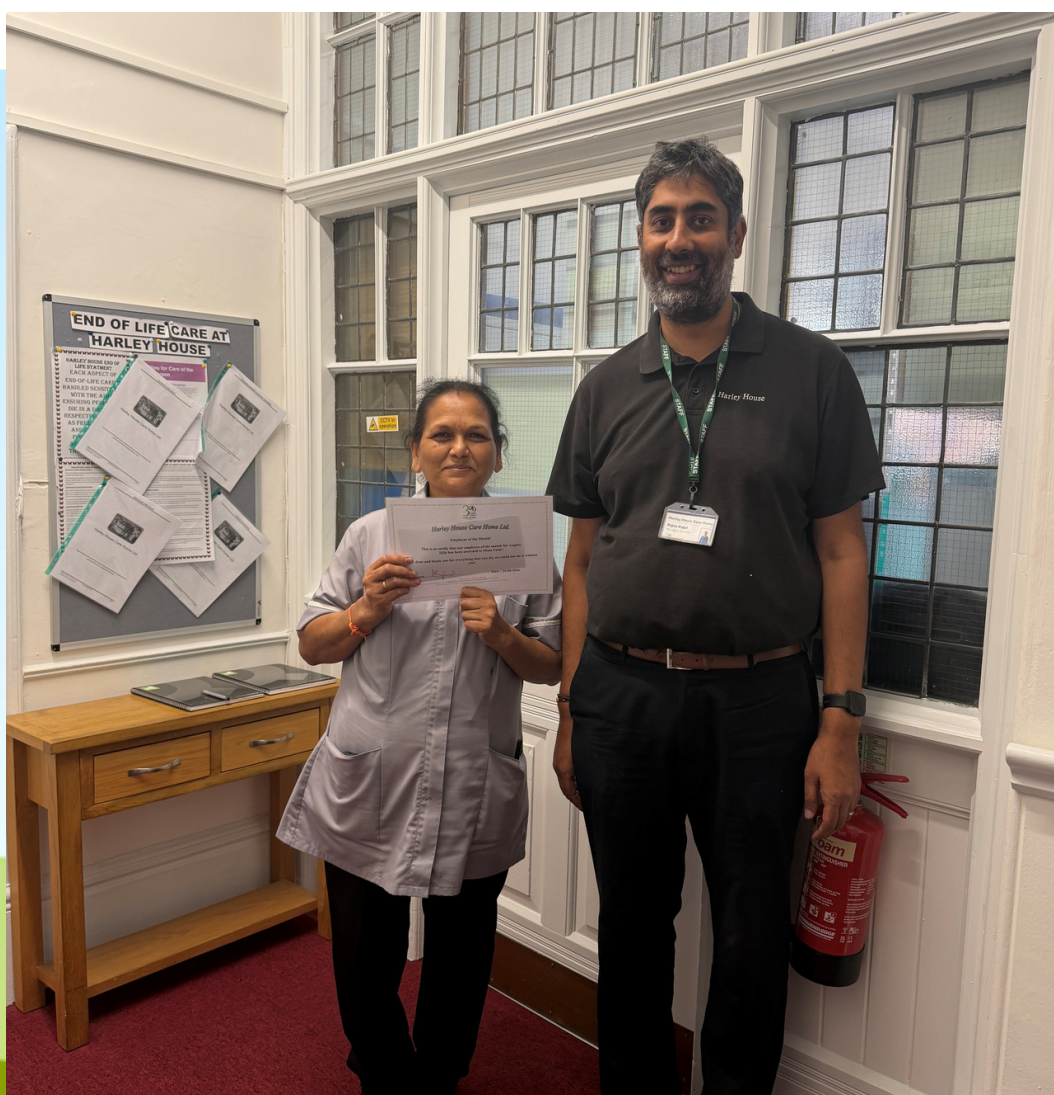

We've had an exciting month this month as we had our summer fete and a range of fantastic performances. Alongside this we had our weekly Boogie Beats visits from the lovely Hannah. We made a pinhole camera so everyone could watch the eclipse together.

September is an exciting month as we have some more performances coming up from the likes of Sammy Dean, Craig Thurlow, Julie and Marcus. We are also celebrating Onam Festival too! We are bringing back the residents favourite Sunday activity of transforming the lounge into a makeshift pub and having a pub quiz

EMPLOYEE —OF THE MONTH

MINA

Summer Fete

We had our annual summer fete which was a blast for both residents and staff.

We had a bunch of fairground games ranging from Hook-a-Duck and tin can alley. We had a raffle and bottle store which was a definite win from the residents!

We had a performance from the wonderful Sean. He sang a range of songs which were thoroughly enjoyed by the residents and there guests.

Birthday Celebrations

This month we celebrated our lovely resident Joans birthday. The day was filled with fun, laughter and cake. Happy Birthday Joan!

This month we also celebrated one of our valued members of staff, Julie's birthday and alongside that celebrated her working at Harley House for 27 Years. Happy Birthday and Thank You Julie!

Hairdressing

We had the monthly visit from the hairdresser. Our conservatory was transformed into a hair salon! We had residents queuing out the door waiting to be pampered.

Our Hairdresser Jane is always willing to help our residents feel there best!

Tabletop Gardening

Our residents participated in an exciting tabletop gardening activity. This entailed the residents working together and helping each other with making there plans.

Tabletop gardening brought along freindhips, laughter and a whole afternoon of fun.

Larry on Keyboard

We had a wonderful visit from Larry who emersed our residents in his talented keyboard skills. He was definitely a fan favourite.

He took the residents requests and put a fun, unique twist on the songs.

Lesley Ann Show

Lesley Ann had our residents on there toes dancing for the full performance. The residents loved the interactive performance.

Lesley had our residents hooked, they didnt want it too end. From the glitz and glamour and brilliant singing they loved ir!

Monthly Minister Visit

We had our monthly visit from the lovely Shirley. Her positive sermons are greatly appreciated throughout the home. Her positivity is spread towards everyone in the home. The morning session leaves all the residents connected and with an optimistic feeling for the rest of the day.

Arts and crafts

Everyday in the lounge we have a range of arts and crafts alongside brain training activities.

One of the favorites this month was the balloon creations and creating paper lillies. The residents socialised and bonded over the different arts and crafts activities.

We also created a makeshift pinhole camera out of a cereal box to watch the solar eclipse through. This was a very exciting day for the residents and staff.
