

To all in the
Heathens care home
my friends

Thank you for the great
care and help you give
me.

I feel sad at leaving your
love and going to another
home that is in walking
distance of family and
friends.

I hope I can be as happy
there. If not you might
see me back
Love and Best wishes

Thank you for everything you have
done for Grandad, and for us as a
family. We are so grateful for the
good care + support you have given to
him, and to Grannie. You've been so
kind to us all, and we have really
appreciated it.

Best wishes for the future,
