Manager Ian Knowles and Deputy manager Vimala Saraswathi

THE Heathers Nursing Home stands proudly on the edge of the market town of Chipping Sodbury and is the only Nursing Home serving the town.

This beautiful 17th Century Grade 2 listed Georgian mansion has been successfully running as a nursing home for a number of years.

When you visit the Heathers, you will be greeted with a smile, starting from the person who opens the door to all the staff inside. We ensure residents enjoy every day

and are made to feel that The Heathers is a “Home from Home”. The staff at The Heathers work towards delivering the highest quality of care.

A tailor-made care package is provided, with emphasis on physical, mental and social wellbeing, with a priority to addressing health issues, ensuring a balanced diet and promoting meaningful social activities.

At the Heathers, we consider ourselves a family, from residents through to the staff and management. We always involve families

and ensure friendships are maintained. When you visit you will meet the management team who;

- motivate and inspire the staff
- focus on engaging with people who use the services and also their families
- create a transparent culture that is open to change and accepting of constructive criticism.

We are proud to say that at our recent Care Quality Commission inspection, we achieved an overall

“Outstanding” rating in recognition of the hard work and commitment from the whole staff team.

To find out more about The Heathers, please call on 01454 312726 or pop in for a look around and enjoy a cup of tea and a slice of cake.

The Heathers is part of the 3ab Care Limited Group, with other homes in Gloucestershire, Leicestershire and Staffordshire, and a children’s day nursery in Bristol.
