The Willows Summer Fete

As popular as ever
Helped all to celebrate
Thanks to much endeavour!

This year's Willows Summer Fete drew an impressive number of visitors, families and friends. The weather was gorgeous. Our delicious food and fabulous cakes were enjoyed by many. People loved listening to Barrow Ukuleles and sang along with the choir. Children were amused by Charlie, the therapy pony who visited us on the day. It was a joyful atmosphere that persuaded many of our residents to get out and browse, socialising and chatting with families and friends. Over £700 was raised by our food stalls, tombola, raffle and bric a brac.

August Activities

A wonderful day out at the local carnival

We had a fantastic time taking our residents and friends out to enjoy all the carnival fun. From magical bubbles floating through the air to amazing motorbike tricks that had us watching in awe! And of course, no carnival trip would be complete without a delicious ice cream! Lots of smiles, excitement and happy memories made along the way.

August Activities

The importance of movement

Our residents were drumming to the beat and giving their arms a proper workout! There were plenty of smiles, lots of laughter and enough noise to let everyone know we were having a good time! Who said exercise had to be boring?

Feedback from Family of Resident - August 2026

*"To The Willows,
Mum was with you for a short period of time, but we
want to say a big thank you for your kindness and
care during her last days. We appreciate everything
you did for Mum and us, her family. Thank you."*

In Loving Memory of Linda

“We were deeply saddened by the passing of Linda Brown in August. Linda was always cheerful and jolly, bringing warmth and happiness to everyone around her.

She especially loved joining in with our musical entertainment and delighted in showing us what a wonderful time she was having. Linda was a much-loved member of our Willows family, and her joyful presence will be terribly missed by us all. Thank you to Linda's family who donated her flowers to the Home, which our residents loved arranging for around the home.”
