Our Philosophy of Care

At Westcroft Nursing Home we aim to provide each service user with a comfortable and homely environment in which security, independence and dignity is maintained.

Westcroft offers both single and double bedroom accommodation for up to 28 residents. The property has two levels, all offering comfortable, homely rooms. All rooms are tastefully decorated to enhance the cosy atmosphere of the home. We have a lovely patio, where residents can sit in the garden, weather permitting.

The trained staff and care assistants are dedicated, caring, and hardworking, all with the same goal; ensuring the residents receive the care and attention they require, and to ease any anxieties they have, so they are happy and relaxed, and enjoy their time with us. There is always a trained member of staff on duty 24 hours a day, and working alongside them are a team of trained care assistants. We have incorporated the opportunity for our care assistants to benefit from Qualifications and Credit Framework (QCF) Training. These have been proved to be very successful.

In line with our Equality and Diversity Policy we do not discriminate against ethnicity, sexuality or disability, age or gender. All assessments are undertaken using the same criteria, with no pre-judgments being made.

Hannah Scott (Registered Care Manager) started at Westcroft in November 2024 working as Home Clinical Lead/Deputy Manager and then took the role as Registered Home Manager from July 2025. She has many years nursing experience and is a registered general nurse (RGN). Hannah is available to answer any questions or queries you may have about the home or any medical matters. You can contact her on 01782 287121.

We realise what a difficult and hard decision it is to have to find a home for your family member.

Listed below are questions/observations to be made before making this very difficult choice as to where your relative's new home will be. We hope they will assist you.

- Is there a waiting list?
- How much will it cost – what does this cover?
- Is there a contract?
- Does the home accept residents funded by the local authority?
- Is there a trial period for new residents?
- How much choice does a resident have?
- Are residents allowed to bring in personal possessions?
- Do residents have to share a room?
- Do rooms have their own toilet facilities?
- Where are the toilets situated in relation to resident's room?
- Are there adequate stair lifts/fire escapes?
- Is medication supervised?
- What happens if a resident has to go into hospital?
- What happens when a resident dies – funerals etc?
- Will the resident's religious needs be catered for?
- What are the homes staffing levels?
- Look at residents – do they look happy?

Whilst you are viewing the home, please feel free to stop and talk to any of the staff or the residents and ask any questions you feel fit. We believe it is important for you to know first-hand the standard of care that we provide at the home. The two main players will provide you with the most reliable information and make your decision to choose Westcroft for you relative and easy decision for you.
